

Aladdin (Musical play)

Royal Global School celebrated the Annual Day (Pre-Primary and Primary Wings) on Saturday, 15 December, 2018. The event started with the introduction and felicitation of the Chief Guest of the event, Ms. Amanjeet Kaur, the Deputy Commissioner of Police (Traffic), Guwahati. While greeting the august gathering, Principal, Mrs. Anubha Goyal appreciated the zealous effort of the students and teachers which had gone behind the day's performance. The theme of the evening was a tale from Arabian Nights, "Aladdin and The Magic Lamp". The colourful parade of characters and the troupe of dancers joined the stage to unfold the magical tale of Aladdin whose life turns into a kaleidoscope of adventures as he meets the beautiful princess, Jasmine who captivates his heart and soul.

The little actors and dancers created a whole new world, a wondrous place for the spectators who had words of appreciation and applause for the immense talent of the kids and patience and finesse of the teachers. The message implied through the tale is 'sometimes we only see how people are different from us'. But if we introspect, we can realize how much we are all alike. And thus, on this wonderful evening of musical extravaganza, children created moments to make way for tomorrow's memories.
