

30th November, 2019 – Antar Prerna

Under the program of "Antarprerna" which endeavors to bring entrepreneurs, face to face with the senior secondary students, Royal Global School invited Mr. Alok Jain, Entrepreneur in Residence, Swiggy. Mr. Jain spoke about his own journey, how the food-tech industry runs and what lies in store for the young entrepreneurs in the coming years. The students were very interactive and asked many questions towards the end of the session which made Mr. Jain remark that he found the students well versed with the world of technology around them. He was impressed with the type of queries they put forth as it exhibited their curiosity in the entrepreneurial world. Such sessions help in expanding the scope of vision of the students.
