

### **31<sup>ST</sup> October, 2019 - All Hallows Eve**

The day of the dead also known as 'Halloween' or 'All Hallows Eve' came knocking at the gates of RGS on the 31st of October.

Ghouls, devilish fiends, witches with bubbling cauldrons and a whole array of supernatural species thronged the corridors of the junior wing of Royal Global School.

The students from grade Nursery to grade III came dressed in their most creepy outfits to unleash terror. They paraded around school and finally assembled at the Colosseum displaying their make over to an audience comprising of the senior students.

The day ended with the students going around the school collecting chocolates from teachers in keeping with the famous 'trick or treat' tradition which is an integral part of this festival.
