

Royal Global School, Guwahati inks memorandum of understanding (MoU) with Green School Bali, Indonesia fostering the global green movement on June 18, 2018. On behalf of RGS, Director cum CEO Dr. A.K. Sinha signed the MoU with (Yayasan Kul Kul) Green School President Dr. Ni Putu Tirka Widanti. With sustainable development goals in forefront of global perspective Dr, Widanti brings in to the domain of academic discourse a wide range of experience into the field of going green and educating amidst nature. The experience which has already drawn accolades from none other than Ban Ki Moon the former Secretary General UN. To bring the event to a close with national anthems of both the nations being played, Dr. A.K.Sinha, Director RGS stressed on collaboration and inculcation between both the schools. "We jointly need to work towards holistic development and experiential learning, in highlighting the aesthetics of the classroom.
