

May Day celebrations

On the 1st of May, Labour day was jointly celebrated by RGS and RGU in the auditorium of Royal Global University. The cultural programme was presented by the staff of RGS and RGU and it was indeed a treat to the eyes to watch them dance, sing and even walk for a fashion show with all the oomph and grace. Speeches were delivered by the Chairman, Shri A.K. Pansari, Vice Chancellor of Royal Global University, Mr. S.P. Singh, Principal of Royal Global School, Mrs. Anubha Goyal. It was notable that Chairman Sir preferred to deliver his speech in Assamese for connecting better with the audience. He stressed on inculcating self- discipline and good habits and having a presentable demeanour among the staff. The program ended with distribution of gifts among the staff and lunch was served to them thereafter.
