

Every year, Royal Global School celebrates May Day with much pomp and show, full of enthusiasm and zest to honour its support staff members. Last year, on this day we witnessed a plethora of talent of our support staff whereby they showcased mesmerizing dance and song performances and also exhibited a fashion show. This year, we miss out on yet another fun-filled celebration, owing to the lockdown, but this does not stop us from showing our gratitude to them. The teachers, the sports faculty and the admin staff of Royal Global School has come up with small endearing messages to honour each member of the School's support staff.
