

29th JANUARY, 2020 – SARASWATI PUJA AT ROYAL GLOBAL SCHOOL

The harsh winter ends, spring is God-sent; a song on every lip; reminding one of yore; Nature at its very best, charting a new course, and thus we gather to seek blessing of Goddess Saraswati.

Basant Panchami, also known as Saraswati Puja is the celebration of the arrival of the spring festival. This Hindu festival is celebrated towards the beginning of Magha, which is the end of January and the beginning of February. Like every year, puja was celebrated with great fervour on Wednesday, January 29, 2020 at Royal Global School, Guwahati. Chairman of the school, students, staff and faculty came together to seek the blessings of the Goddess of knowledge, music, art and culture. The rituals of the puja started as early as 8.30 am and the devotees started to throng gradually to offer their obeisance to the Goddess. It was quite a magnificent sight to behold the students in a mood to seek blessings clad in traditional wear. The celebrations came to an end with the distribution of 'prashad'. Gaiety and piety went hand in hand to leave an indelible impression in the mind of the devotees of the school.
