

The electoral process for electing the House Captains, House Vice Captains and House Prefects for Gandhi House, Mother Teresa House, Tagore House, and Vivekananda House was successfully conducted online. The new cabinet for the year 2020-21 has been elected in an extremely fair and democratic manner as is done every year. This proves that a hurdle is a hurdle only if you treat it as one. We at RGS have been facing every challenge with a determination to overcome it and the newly elected cabinet bears a testimony to that. Now the virtual Investiture Ceremony is awaited.
