

### **13<sup>th</sup> January, 2020 – SEVA Project**

As we lose ourselves in the service of others, we discover our own lives and our own happiness.

- Dieter F. Uchtdorf

With an aim of sharing the joy of the festival, students of IX A of Royal Global School visited Snehalaya, Betkuchi on 13 January, 2020. The visit was the third phase of SEVA Project of the school curriculum.

Sister Superintendent and children of the Home eagerly waited and welcomed our students.

Exchange of greetings followed usual group games with the inmates of the Home. Being familiar to each other, they played and had a comfortable chit chat.

Keeping the season in mind, students enthusiastically bought and packed winter necessities for the inmates. They also handed over a sum of money for arranging Bhogali Bihu feasting for the children of the Home.

Singing and dancing were followed by photo session. As a humble gesture to the visitors, children tuned together to Welcoming and Thanksgiving lyrics. Children were happy and so were our students. With mutual greetings and warm wishes of Bhogali Bihu, students left the Orphanage at 1 o'clock in the afternoon.
